

The story began on a lonely stretch of road between the mining town and the base camp. Tom and Gary were excited about what they found....

## RETELLING CHECKLIST

Things for me to think about when I retell

- Did I review the story?
- Did I think about the sequence of events?  
information?
- Did I remember the important parts?
- Did I rehearse the retelling?
- Did I think about my expressions?
- Should I show the source or use a “prop?”
