

Looking Up Technology Terminology

In this exercise learn how to look up the definition of technology terms in the Tech Encyclopedia

STEPS:

1. Go to the **Think Technology** homepage. This can be found by clicking on the orange bar that reads Think Technology located across the top of each Thinkport page.
2. Locate the **Technology Encyclopedia** on the right of the page.

Think Technology homepage

Tech Encyclopedia
Type word then
Click on
"Look it Up"

3. Enter a computer term.
Examples: Cache, Cookie, ISP, plug ins
4. Select **Look It Up**. The definition will open in a new window.
