

The Search Function

In this exercise you will learn how to find resources on Thinkport using the site's Search feature.

- Using the Chart below, **enter a keyword into Thinkport's Search field**, which is located in the upper right corner of the page.

Grades	Math Words	Science Keywords	Social Studies Keywords	Language Arts Keywords
K - 2	Measurement	Animals	Economics	Literature
3 - 5	Geometry	Space	Maryland	Writing
6 - 8	Algebra	Environmental Science	African American history	Poetry
9 - 12	Geometry	Biology	War	Literature

“Search” is located in the upper right corner of each Thinkport page.

- Select the Search button

Note: Thinkport organizes resources into the following categories:

- Lessons
- Videos
- Events and Courses
- Other Classroom Resources
- Standards

Thinkport's Icon Legend identifies type of resource
